of PensionEdge®,
our online pension
administration solution
for busy plan sponsors
just like you!

As a leader in pension administration, we understand how time-consuming and complex it can be to administer a pension plan. PensionEdge®, our fast, easy-to-use online pension portal, streamlines the process so busy plan sponsors can focus on other responsibilities. With our optional participant portal, your employees can view statements, run **unlimited** benefit calculations, and request forms - all from any location with a computer and an internet connection.

If you're responsible for administering your company's pension plan, then you should know about PensionEdge®.
