"Unpacking SECURE Act 2.0"
Wednesday, January 25th
1:00 p.m. - 2:00 p.m. ET**

On Thursday, December 29, President Joe Biden signed into the law the \$1.7 trillion spending package containing the retirement reform bill SECURE Act 2.0. This huge legislation, which includes over 92 different retirement plan provisions, is intended to expand access to retirement plans, increase savings, help American workers preserve more income for retirement, decrease debt, and much more.

Join our team of retirement plan experts as they unpack this new legislation in detail, so you can understand the potential impact it may have on your plans.
