Marc R. Condon, FSA, MAAA

Vice President, Practice Leader
Pension Administration Services

Marc is responsible for delivering pension and cash balance plan administration solutions that help clients and their employees interact with their pension plans. From non-profit organizations to municipalities and corporations, Marc and his team of knowledgeable pension professionals ensure seamless participant data management, online benefit calculations, and retirement payment processing through the PensionEdge® web-based portal. In addition, Marc also manages the H&H Service Center, a team of highly-skilled and motivated representatives dedicated to assisting participants.

Marc has been in the retirement industry since 1991 and has provided a variety of services to sponsors of Defined Benefit plans, including performing funding and accounting valuations, as well as providing actuarial consulting on plan design, cost projections, benefit certifications and experience studies. Additionally, he has expertise in pension plan administration, plan terminations and retirement outsourcing.

Prior to joining the firm in 2019, Marc was with MassMutual for over 16 years, where he served as assistant vice president and actuary. He held various roles of increasing responsibility, including pricing, consulting and management for their Defined Benefit and Pension Risk Transfer units.

Marc graduated from the University of Connecticut with a bachelor's degree in mathematics and actuarial science. He is an Enrolled Actuary and has earned the Fellow of the Society of Actuaries (FSA) and Member of the American Academy of Actuaries (MAAA) professional designations.
